

# First Presbyterian Church of Woodstock

*A fellowship of people in all stages of life who gather together, praising and worshipping God with gratitude for our many blessings, accepting and caring for all God's children, and serving the community and the world with love and joy.*

Dear Siblings in Christ,

As I begin my last month with First Presbyterian Church, Woodstock, I am filled with gratitude to have been called to serve alongside such amazing disciples. Through significant events, you have cared for each other, the church, and your community, with warmth and compassion. With incredible leadership from your Mission Study Team and Session, you embarked on bold adjustments to structure and ministry practice. You pledged to become a Matthew 25 congregation and planted trees and lilies and made many more plans to make this a better planet on which to live. All the time, here and elsewhere, you gathered to sing and pray and learn and worship.

My last day as your pastor will be July 31st. This is never easy for me and this time is certainly no exception. I take the separation agreements very seriously and you know the drill. While I hope to see you at the Farmers' Market or the Library from time to time, I will not be involved in the life of the congregation. This is important for you and your new pastor. It is also necessary for me to move on to my next call. Do know that I will always carry you in my heart and prayers.

I ask your forgiveness for what I have done that I should not have, for what I did not do well, and for what I have left undone. Thank you for being a people full of grace.

As I begin my last month with you I am also filled with such optimism. I am confident that your ministry with Rev. Corbin will be rich and wonderful. I am so excited to think of the places you will go!

It has been an enormous privilege to minister for a time with you. Thank you for a lovely journey full of good conversation, delicious food, great music, and excellent 4-square. My heart is filled with joy as I envision the future to which God is calling this beautiful congregation. May God bless you so that you can be a blessing to the world.

With love,  
Pastor Cindy

## Earth Care Congregation Update

This year, FPC Woodstock officially became an Earth Care Congregation. We proudly display this designation from the PC(USA). Several of the goals we set for 2021 have been accomplished.

Goal: Plant at least one tree in memory/honor of baptism, birth, confirmation, or death.

- Three flowering crabtrees have been planted in memory of Jane Dahm. Thank you to the Dahm family and those who contributed memorial gifts in Jane's name.

Goal: Devote a Worship service to Earth Care.

- Two of our services have focused gratitude for God's good earth and how we might be better stewards of this gift.

Goal: Purchase Eco-palms for Palm Sunday (if in-person worship)

- Our Palm Sunday worship could not be in-person so we did not order palms. Perhaps this can be a 2022 goal. In lieu of this goal, several people brought their Easter lilies back to the church to be planted at the entry of the building. Thanks to several of our gardeners and CPJ for making this happen.

Goal: Hold worship outdoors at least four times.

- This proved harder than originally thought due to the weather. We have already held 3 of 4 outside though.

Goal: Incorporate earth care theme in Intergenerational VBS.

- Our first intergenerational "VBS" event was held in June. As part of the Earth Care message, the congregation traveled to the patio to talk about how we are to handle the earth.

Goal: Encourage earth care habits monthly in newsletter/announcements/minute for mission at least nine times.

- Thanks to the CPJ Committee, our monthly newsletter includes an Earth Care article to teach and encourage us.

Watch for more good stewardship this the second 1/2 of 2021 as we work to accomplish the remaining 2021 goals:

- ♦ One more outdoor service
- ♦ Host an Earth Care speaker
- ♦ One outdoor spiritual activity.
- ♦ Convert at least 1 pair of lights in Great Hall with LED bulbs.
- ♦ Establish a battery recycling drop-off program at the church.
- ♦ Use of some locally sourced food for at least two meals.
- ♦ Explore garden options.

## From Education and Spiritual Growth

### Confirming our Faith Together—Battery Recycling Box Creation

The confirmation group (youth who have recently completed 6th, 7th, and 8th grades) are working to help our church meet its earth care goals.

After worship on Sunday, July 11th, we will gather to create the battery recycling box, that we agreed to build as an earth care goal. Angie Boe will have the supplies and will guide us as we create a masterpiece to collect used batteries for recycling.

Please let Angela Thuma know if you can attend [ACThuma@SBCGlobal.net](mailto:ACThuma@SBCGlobal.net).

### Calling All 3rd, 4th, and 5th Graders

All youth who have recently completed 3rd, 4th, and 5th grades are invited to an evening of pizza, games, and fun.

On July 18th, from 5:00 to 6:30 p.m., we will meet at the church for pizza and games. We hope you can join in the fun. Friends are welcome.

Please let Angela Thuma know if you are planning to join us.

## Congregational Life News

First, don't forget that you can join many FPC'ers at the Wednesday evening Woodstock City Band Concerts on the square. Bring your chairs and maybe a picnic dinner, listen to some great music from great musicians, and enjoy some mid-week fellowship. On July 28, FPC will be the concert sponsor, selling ice cream treats as a fundraiser. Make sure you're there!

After its successful June post-worship brunch, the NOW team repeats brunch on Sunday, July 11. Join everyone for more great quiche, some French toast casserole, fruit cups, cereal, milk, juice and coffee on the patio! The NOW team also is working on plans for Wednesday night dinners in the fall. Keep an eye open for an announcement when those plans are set.

The Hospitality Team continues to find ways to celebrate our 175th year in Woodstock. Between July 19 and August 6, we will be hosting a history exhibit at the Woodstock Public Library. Take a minute to stop by the library and look at some great old photos, documents and bulletins from our services and see what God has done with us over the decades. Thanks to Sally Nelson, Marla Rigby and Mark Bundick for spearheading this display!

Finally look for an announcement in the August newsletter for a series of small group "meet and greet" events where you can have an opportunity to get to know our new pastor, Rev. Eric Corbin. You won't want to miss out on one of these sessions!

**July Update from the Deacons**

- Deacons will be supplying snacks for the 4 inter-generational VBS after the worship service June through September on the 4th Sunday of each month.
- The Deacons are now a part of Microsoft Teams with the help of Dave Davis and can use this for meetings instead of Zoom.
- Session is allowing meetings at the church, but the group preferred continuing virtual meetings. For certain meetings, in the future, it might be appropriate to meet at the church
- The Memorial Committee has been chosen and approved by session. Members are: Angie Boe, John Moorhouse, Pam Mathison, Velma Downes, and Lee Nejd. The Committee is to be moderated by a deacon and Angie and John decided to co-chair. Their 1st meeting was scheduled for 6/21.

- Memorial trees have been purchased and planted in memory of Jane Dahm. They are 3 Donald Wyman crabs which are planted by the shed as you drive in. There will be a plaque placed there saying: "These Trees Are Dedicated in Loving Memory of Jane A. Kennedy Dahm 1931-2020".

- Mary Hill requested that the church picture directory be updated and completed. Cindy has met with Deacon member Barb Parrish and Mary to begin the process. We will be reviewing it at the next meeting.

**WACM Notes:** Assistance with a gasoline voucher and rental assistance were the most requested items in May for WACM's Direct Assistance Program. Community members in need can contact the Direct Assistance Program by calling (815) 529-4370.

Our church is a member of WACM and provides financial support to this ministry. Other churches that are part of WACM include First United Methodist Church, Free Methodist Church, Grace Lutheran Church, McHenry County Jewish Congregation, Redeemer Lutheran Church, St. John's Lutheran Church and St. Mary's Catholic Church.

**Red Wagon Items Requested for July**

**Shampoo, Bath Soap, Deodorant, Toothpaste, Toilet Paper, Laundry Soap**  
 You can leave your donations outside the church in the box by the front door.

Anyone living in School District 200 may receive food two times each month. If you know someone who needs help with food, please encourage them to visit the Food Pantry, 1033 Lake Avenue (behind the Dorr Township building), Monday, Wednesday or Friday, 9:00 AM to 3:00 PM.

**PENTECOST SPECIAL OFFERING**

CPJ committee is thrilled to report that we broke the goal thermometer on this second of four Special Offerings approved for this year. 22 generous donors contributed \$1866 against a \$1360 goal!!! Thank you to all who contributed. 40% of this is retained locally and will be given to the Child Advocacy Center for McHenry County to aid them in serving child victims of sexual abuse. 60% goes to PCUSA to support programs serving children and youth.

**News from the Compassion, Peace and Justice Committee**

You may be aware that in concert with recommendations from our Church Mission Study completed this year as part of the Pastoral Search process, the former “Mission Commission” has been renamed and restructured. We now call it the Compassion, Peace and Justice Committee or CPJ.

The committee has established a committee purpose statement which reads as follows: “We go in grace, challenged by Christ’s calling to be a church of action, and strengthened by the Spirit to do God’s work and show God’s love in the world. We seek to look beyond our walls and beyond ourselves – to see Christ’s image in every face, and to transform God’s kingdom. **We seek to empower every member of the congregation to share in this work.**”

See that last bolded part?! **Our goal is to have 100% participation of our congregation in mission activities.** We know that we all have time, talents and/or treasures to contribute to these efforts. 18 donors supported the One Great Hour of Sharing special offering and 22 donors supported the Pentecost Special Offering. That is less than half of our members. When we hold a highway or church grounds clean up day we have a handful of people who show up to help. We are issuing a call for renewed participation in mission work to all of you!

We also know that many, if not most of us, are supportive of mission work outside the auspices of the church. CPJ would like to conduct a survey to learn where and how our congregation members are serving the community in these ways. Look for that survey in a month or two (currently “under construction!”) CPJ is always looking for ways to expand our church mission impact in the community and would welcome your ideas about how we can help support more compassion, peace and justice in our world!

Despite the exhortation to be involved and to BE the church, thank you for your faithful support of the mission work of our church to date. We just know that there is always more that can be done and we will strive to do this work and encourage you to do so as well.

**More Earth Care News—Highway Cleanup on July 24**

It’s time once again for a cleanup along the highway near our church campus. On July 24th at 9 a.m. we will be walking along Route 47 between Ware and Charles Roads picking up trash. The whole project is usually complete in less than two hours, but the more help we have the faster we get done. If walking the road isn’t for you, perhaps you could bring treats and encouragement.

Please consider joining in this important earth care activity. It’s a small task, but it makes a big difference in beautifying our corner of McHenry County and preserving the planet we all call home. For more information contact Ray Thuma [RPThuma@sbcglobal.net](mailto:RPThuma@sbcglobal.net)

**Jane Dahm Life Celebration**—Please join us in celebrating and remembering the life of Jane Dahm on what would have been her 90th Birthday at an Open House from 1-3 p.m. on Sunday, August 1st at the 1st Presbyterian Church of Woodstock.

The family of Jane Dahm

## June Session Highlights

Session business was light in June, and the meeting finished in under an hour. Likely that is a record of some sort!

Ministry Support submitted and session approved a series of recommendations including:

- The formal dissolution of our pastoral relationship with Rev. Cindy;
- A Covenant of Closure between FPC and Cindy outlining our post-ministry relationship and responsibilities;
- Approval of the annual Health Reimbursement Arrangement Plan required by Blackhawk Presbytery and the IRS, and;
- Approve facility use request for a gathering in memory of Jane Dahm on the afternoon of August 1.

Ministry Support also reported that Vanguard Service will begin cleaning the church starting August 23.

Session received Pastor Cindy's report. She has provided Mark Bundick with information about key files and documents locations. On June 17, Cindy officiated a memorial service for Ron Knaack. The family provided a \$150 donation to church; a motion to place this donation into undesignated memorial funds was approved.

The Clerk's report provided a summary of communication from the disbanded PNC regarding specific dates and financial arrangements in Pastor Corbin's terms of call and the use and remaining balance in the PNC Search Fund. Mark also read a message from Eric suggesting ideas about how to learn more about the people of FPC. Congregational Life Committee was asked to facilitate these plans.

In Other Business, a motion was approved to allow meetings in the building without masks if all participants are fully vaccinated. Masks will no longer be required for outdoor gatherings.

## Happy Birthday to Us! - 175 Years of FPC in Woodstock

### Our Heritage

The history of a church should include a bit of heritage. Three current families can date their ancestors' FPC membership back more than a century. Vicki Thuma's great-parents and Jane Dahm's grandparents, Josephine and John Zimpelmann joined the church in 1895. Vicki, her husband, children, grandchildren and niece are members today. Jane, her children, grandchildren, and great-grandchildren also are members. Joyce Rigby's family traces its roots back to the early years of the church through her paternal grandmother (Mrs. M.G. Eckert Sr.) Joyce and one of her sons and family are members today.

Having members who choose to be ministers is a blessing. Melinda Gallant was ordained in 1999 and has served as a hospital chaplain. Greg Bradshaw who was baptized and confirmed at FPC is the campus pastor of Harvest Bible Chapel in Crystal Lake.

Bill Tammeus, retired religion editor for the Kansas City Star and religious writer who grew up in our church, is an author and currently contributes to Presbyterian Outlook and other religious publications. Debra Bendis, who was a member for more than 20 years, wrote for Christian Century.

### Nominating Committee Update

Please keep the Nominating Committee in your prayers as they discern God's plan for leadership at FPC Woodstock. They have already made recommendations to Session to fill vacant Committee classes. Many thanks to those who said "yes." At this point they are looking to make nominations for Elder and Deacon positions coming available in 2022. Please prayerfully consider how God is calling you to serve Christ's church in the coming year(s). If you are asked to serve in a particular way, know that your gifts have been noticed and the Committee believes the Spirit may be calling you to the ministry of leadership.

### Today in the Mission Yearbook

Would you like to feel more connected to the larger church? Are you looking for a devotional resource. Take a look at the PCUSA Mission Yearbook. Remember those? Well, now they are available on-line AND it can be e-mailed directly to you each day.

Each day includes focuses on a mission project of a PC(USA) congregation. This is a wonderful source of inspiration and encouragement. We have so much to be grateful for in Christ's church.

Also included is a link to the daily lectionary readings and a prayer.

**JULY REPORT FROM THE MINISTRY SUPPORT TEAM**

We are very thankful for Ben Thuma being able to clean the church on a regular basis for the past year during the time we were closed to most activities. Ben will be returning to campus this fall. We will be contracting with an outside company to perform regular cleaning as we open the church to worship and other activities. We will be seeking help to configure the Great Hall as needed for the various events and worships services.

The audio/video upgrades have been completed and we continue to work on improving our ability to broadcast and stream events for your enjoyment.

Please be on the lookout for communication about events to say goodbye and thank Pastor Cindy for her service to FPC the past two years, and to welcome Pastor Eric as our permanent Solo Pastor.

## July 2021 News from the Worship Arts Committee

It's July, and the fireworks are exploding to celebrate our country. We here at First Presbyterian could use some fireworks to celebrate our exciting news! August first will be the first service to be led by our new pastor, Eric Corbin. We are welcoming Pastor Corbin with open arms, and thankful hearts.

We are still masking for services, and also while we are singing. This is to help keep those who are unvaccinated, especially our children, safe. Also, please register if you are planning to attend services so we can maintain a count.

With grateful hearts we will be bidding good bye to our Interim Pastor, Cindy Carlisle. While she has been here, Cindy has led us down uncharted roads with grace and strength. We will always be appreciative for her service to our church. Thank you!!

**Diss Family Relocation**—It is with sadness that we plan to say farewell to Bob and Gail Diss. They will be moving to Fort Wayne, IN in August to be closer to the grandkids. We are so grateful for Bob's music ministry and Gail's service to the church these many years. They will both be missed.

Bob's last Sunday as our Organist/Accompanist will be August 22nd. Worship will be a special Jazz Worship Service, starting at 9:30 AM. In the Great Hall. Save the date!

**First Intergenerational "VBS" Event**—On Sunday, June 27th, our Worship began indoors. Following the service, Fred Strauss led the congregation outside to "finish the sermon." We formed circles to play "hot potato" with globe beach balls. If you were caught with the ball when the music stopped, you got to say one thing you can do to help the environment. Next everyone came together to keep all 12 globe beach balls in the air. It all concluded with "blizzard" treats prepared by Deacons John and Pam Moorhouse and Evan Kaye.

## Worship Leadership

The Hospitality Team and Deacons will be greeting this month. Please contact Cheryl Wormley or John Moorhouse if you would like to assist with this important ministry. We are looking for Sunday morning ushers. Please contact the office if you are able to serve on a rotating schedule. Please make a point of thanking our Sound Team members. They are working hard to improve our sound system and in-person worship experience every Sunday.
